

Welcome Massachusetts ENA Members!

Interested in becoming involved in the ENA? As Massachusetts Education Chairperson I would like to invite you to join the education committee. This is a venue to discuss the education needs of emergency nurses.

The commitment is minimal. We have conference calls throughout the year to plan education offerings for ENA members. Members are asked for their input on Massachusetts emergency nurses education needs. We plan a half day or all day conference related to emergency nursing education. Members can volunteer with publicity, vendors, registration, or other conference sponsoring requirements.

I look forward to meeting new members!

Take care,

Pat
